

XI congreso internacional de infancia maltratada

CONSTRUYENDO PUENTES ENTRE INVESTIGACION Y PRACTICA
Oviedo, del 17 al 19 de octubre de 2012

PANOS VOSTANIS

University of Leicester

England

Panos is Professor of Child Psychiatry at the University of Leicester in the UK, and Consultant at the Leicester child mental health service.

In his clinical capacity, he works with a mental health service designated for vulnerable children, young people and families, i.e. in care, homeless, adopted, refugees, and young offenders.

In his academic capacity, Panos is actively involved in a number of research projects on the assessment of mental health needs, evaluation of treatment and services for traumatized children and young people. Also, the evaluation of mental health interventions in schools; and the impact of trauma on children living in war zones.

Panos has been involved in many international research and teaching projects. He has developed an international Distance Learning Course in Child Mental Health, which is currently provided by the University of Leicester.
